Monthly Subscription Draw Rules

- Object** To provide members with chances to win cash prizes and to provide funds for the Nationwide Group Staff Union (the Union).
- Eligibility** Open only to members of the Union (including Retired and Associate Members).
- Subscriptions** Income will be created by monthly subscriptions in units of £1, up to 10 units per member. Additional Draw numbers, up to that limit, will be issued if a member wishes to alter their monthly subscriptions, on receipt of at least six weeks' notice in writing to the Lottery Promoter. In such circumstances, the Promoter may cancel the Draw number previously held, and issue new numbers for the whole value of the new subscription. Numbers are not transferable.
- Collection of Subscriptions** Members will have subscriptions collected by Direct Debit from a current account operated in the UK. Subscriptions will be collected until the member ceases to be a member of the Union, or until the expiration of 6 weeks' notice in writing given by the member to the Lottery Promoter of their desire to withdraw. Subscriptions already collected cannot be returned, but chances thus paid for will be included in the relevant Draw.
- The Draw** The monthly draw will take place at Middleton Farmhouse, 37 Main Road, Middleton Cheney, Banbury, Oxfordshire, or such other venue as may be decided by the National Executive Committee. The Draw will ordinarily take place on the first Wednesday of the month, and in any event, no later than the 7th of each month. All numbers paid for by the deadline for inclusion will be entered in the Draw.
The first valid chance number drawn shall win the first prize, and so on. Any number drawn that has not been prepaid for any reason will be disregarded. In addition to an officer or employee of the Union, two members of the Union will be present at, and confirm their satisfaction with the conduct of, each Draw.
- The results** will be published by the Promoter each month. Prize winners will be notified in writing within seven days of the Draw.
- Prizes** Up to 75% of the total monthly subscriptions collected will be allocated in prize money, as in the table below. Prizes will, if necessary, be rounded down to the next whole pound. All income not allocated as prize money will form part of the funds of the Union, and will be under the control of the National Executive Committee in accordance with the rules of the Union. Prize money will be paid only to the persons to whom the winning numbers were sold by the Promoter.
- Administration** The decision of the National Executive Committee on all matters will be final.
The Register and Accounts will be audited each year by the Union's Auditor, and the National Executive Committee is responsible for carrying out random checks on the numbers contained in the Draw, and the Register and Accounts maintained by the Promoter.
- Authority** This Draw is a private society lottery under the terms of the Gambling Act 2005

These rules and conditions may be varied from time to time.
